

8th IBM Rhapsody User Group Day, 7th November 2017, Zürich From Users for Users – Best Practice IBM Rhapsody

Join this year's Rhapsody User Group Day - you will have the chance to discuss **your questions and challenges with other Rhapsody users**. Share your experiences and **profit from the knowledge of the attending Rhapsody experts**.

Result oriented discussions based on Open Space concept
Gain the knowledge which is important to you – in the shortest time and in a compact form. With the help of a “black board” every participant can announce his questions and interest areas. Also the experts from IBM, BTC and EVOCEAN can propose their subjects of interest:

- You determine which subjects are of interest for you and how much time you want to invest – you can leave discussion teams at any time and join another one.
- Focused discussions and constructive results as only people will be present who are really interested – the combination of specialists and users provide for practical relevance.

Administration

- Duration: 1 day
- Time: 9:00 am until approx. 5.30 pm
- Language: German & English

100% of last year's participants recommend the event:

Time / Place

7th November 2017
Die Giesserei, 8050 Zurich-Oerlikon
(Switzerland)
www.diegiesserei.ch

„Every year new inputs. I will definitely come again!“

„Again detected new features of the tool, available since years. “

“Share ideas and gain new knowledge”

Target Audience

Users and interested parties of IBM Rhapsody

„One of the best ways to get first-hand information“

„Lots of information and input how to solve our problems“

Conditions

- Costs incl. breaks & buffet lunch CHF 250.00 (EUR 230.00) (excl. VAT).
- For the second (and more) participant(s) from the same organization a discount of 25% will be given.
